Acknowledgement

I, _____, understand that a degree from Christian Leadership School of Impartation does not guarantee a job or ordination in any specific market or ministry, and is not specifically designed to meet any particular licensing requirements. Although the World wide Accreditation Commission of Christian Educational Institutions accredits this degree, CLSOI is not listed with the U.S. Department of Education, and a CLSOI degree is specifically not suited for people pursuing jobs as public school teachers, state university professors, state-licensed psychologists, amongst other vocations, and that some states may have restrictions on ways this degree can be utilized in the marketplace.

The primary purposes of this degree are to help strengthen my walk with God, and to help in equipping me for Christian ministry, specifically to become a Spirit-anointed leader. Although Christian Leadership School of Impartation may help in pointing me to job location services, I am the one responsible to locate any job in my future. I understand it is wise and prudent for me to check with those who are working in the field(s)

I desire to work in when I graduate in order to ensure that the path I am on will be acceptable for the specific kind of job or ministry I am pursuing.

I am fully aware that this is a Christian ministry, which believes the Bible is the Word of God and that the Bible is the authority upon which my spiritual growth and training will be based.

I declare that I am enrolling in Christian Leadership School of Impartation willingly and of my own free will. I understand that during these courses I will be confronting my inner feelings and emotions, which could cause emotional pain as I press on in spiritual growth.
